

Art Major (BA)

Professor: Dustyn Bork

Assistant Professors: James E. Berry II and Maggie Gayle

The art major offers a rich and diverse range of investigations across the disciplines of art practice and art history. Integrating extensive liberal arts offerings with a broad studio experience, majors will balance exploration with a focus on future goals. The art major prepares students for graduate school applications and works in art-related fields. It develops in students the necessary knowledge, technical skill, and commitment to work as an artist today. Students are immersed in a creative learning environment and encouraged to cultivate an approach to art-making that is informed by traditional two- and three-dimensional art practices, experimental approaches, and new digital technologies.

NOTE

* Students may use ART 201 and ART 202 to satisfy core requirements.

* Students must complete requirements for a Major in Art and select one area of focus.

**** To graduate with a Bachelor of Arts or Bachelor of Science degree from Lyon College, students must successfully complete a minimum of 120 semester credit hours comprised of our required Core curriculum (44-48 hours), the requirements of at least one major (credit hours vary per major), and a selection of our Liberal Arts electives.
