

EDU 325 : Practicum I

An introduction for pre-service teachers to the four domains of Charlotte Danielson's Framework for Teaching. Course content will focus on organizing content knowledge for student learning, creating environments that are conducive to student learning, developing the instructional skills necessary for guiding student learning, and demonstrating growth within the profession. Supervised classroom participation experiences of at least 30 hours in approved settings are required in grades/disciplines appropriate to students' areas of licensure. Fee required.

Credits 1

Prerequisites

Documentation of a 2.75 cumulative GPA or permission from the

instructor and the Director of Teacher Education.
