

# BUS 458 : Internship in Social Entrepreneurship/CSR

Students will gain field experience through direct, supervised work in a selected, approved company. The internship will involve a minimum of 140 contact hours over the course of a semester, and interns will provide periodic reports to the faculty supervisor. The internship will primarily focus on Social Entrepreneurship or CSR (corporate social responsibility) topics and projects.

**Credits** 1-4

**Prerequisites**

Permission of the instructor
