

# High School Concurrent Opportunity

The High School Concurrent opportunity allows local high school rising juniors and seniors with a cumulative high school GPA or 23 ACT composite score to enroll in up to **five** Lyon courses at a reduced price per class (excluding lab and course fees) before they graduate from high school. Concurrent student prices apply to all Lyon fall, spring, and summer courses, depending on availability and academic eligibility. To apply to the program, students need only inform the enrollment services office of their interest and submit **Non-Degree Seeking Applications** along with qualifying transcripts and/or ACT scores.
