

TEC – Transfer and Exchange Collaboration

Lyon College and the University of Arkansas Community College at Batesville (UACCB) are committed to providing educational opportunities for the citizens of Batesville and the surrounding region. To fulfill this commitment, the two institutions have created the Transfer and Exchange Collaboration (TEC).

To be eligible for TEC, students must be full-time (12 hours at their home institution), have the support of the chief academic officer at their home institution, and meet any prerequisites for the course or courses they wish to take at the other institution. Students' tuition at their home college will cover coursework taken at the host college.
