

EDU 495: Student Teaching Internship

The student internship is designed to provide students with a realistic mentored experience in planning, managing, and teaching at the desired licensure level. The accompanying seminar is designed to enable the intern to integrate theory and practice and to find professional support from peers and faculty. The year-long internship will be split across the appropriate grade levels. Fee required. (Total of 15 credits over two semesters)

Credits: Credits 7.50

Prerequisites: Admission to the teacher education program approved by LATEC.
