

## LED 202: Leadership Seminar

This course will expand on the theories and models of leadership that were covered in LED 201 through interactive discussions with local, state, regional, and national leaders. Speakers will be from a variety of backgrounds, including (but not limited to) education, politics, law, business, and non-profits. The discussions will take place both on-campus and at off-site locations.

Credits: 1

Prerequisites: LED 201
