

Military Science Concentration

The Military Science and Leadership (MSL) concentration is offered in conjunction with the affiliate Reserve Officers Training Corp (ROTC) program at Lyon College and offers a pathway to commissioning as an officer in the U.S. Army (active duty), the U.S. Army Reserve (USAR) or the Army National Guard. The eight MSL courses required for contracted cadets will generate a total of 18 credit hours toward their undergraduate degree, and provide military career preparation in the areas of leadership, soldiering and the roles and uses of the armed forces.
